

UNTDA Archives/Newsletter/ Report - December 8, 2020

Folks, another quick run through the numbers:

Nominal List:

The publicly available UNTDA Nominal List is 10 years old this month.

The online Interactive version first appeared on Feb 13, 2018 and since then it has been updated 320 times or roughly once every 3 days.

10,208 name entries.

7,582 (74.3%) - UNTD (1943 - 1968)

2,393 (23.4%) - ROU+ (1969 - present)

233 (2.3%) - other (Founders, Hon, Staff, Assoc, etc)

An important initiative, Glenn Carroll's visits to LAC Ottawa, which were started just prior to the COVID shutdown, have most recently been re-commenced and an initial foray has been made, with more scheduled.

In Memoriam: 1,667 of 10,208 (16.3%) - 42 so far in 2020

1,505 of 7,582 - UNTD (19.8%)

38 of 2,393 - ROU+ (1.6%)

124 of 233 - other (53.2%)

Contact List:

1,167 of which 928 (79.5%) are active, non-bouncing emails.

Of those 928, 655 (71%) are UNTD, 216 (23%) are ROU+

44 are unresolved bounced emails which may or may not have valid phone/address information.

139 are Location only, that is, we know roughly where they are but no contact information exists.

For various reasons, over time, 21 have requested no contact, which although we retain the information, we respect.

VIP List:

The VIP Interactive List has a similar chronological, format and revision history to the Nominal List.

There are **1,734** Citations for **713** UNTD and ROU+ Cadets.

1,522 (87.8%) are UNTD, 212 (12.2%) are ROU+.

As Father Time moves along, the ROU+ proportion will continue to increase.

Military Units List:

This interactive List first appeared in March, 2018 and currently shows **290** operational military units in which NavRes Cadets trained, served or commanded; all 3 Services, domestic and foreign.

Biographies:

Embedded as links in our online lists, are currently **2,530** Biographical profiles of varying depths. In the initial lists, they were all Nauticapedia links, of which we helped create, but now 1,704 (67%) are of our own format and creation and will increasingly be so. Nauticapedia remains an important collaborator.

Members:

There are currently **292** "Active" (dues-paying) Members (2019 and beyond). This figure has been steadily increasing in the 5+ years since we instituted the current "Member" system, in spite of, that from 2015 on, we've had 440 known deceased, a number of whom were dues-paying.

UNTDA Newsletter:

The most recent Newsletter was distributed on October 24.

933 by email, 13 by snail-mail. There were 10 email bounces, of which 5 have been resolved

The cover story featured Dr Bonnie Henry as a current exemplar of the Citizen-Sailor synergies that is a hallmark of our alumni and the highlighting of which is a core UNTDA function.

Respectfully submitted.
