

UNTDA Archives, Newsletter Report - June 7, 2021

Nominal List:

In the preceding quarter there have been no significant changes in the structure of the data. Russ Cape's network of "finders" as well as Ross Connell's Membership Survey and follow-ups, continue to bear fruit as to missing information on current members with the occasional new members being surfaced. Glenn Carroll was able to make 3 trips into LAC in March, during a brief period of re-opening. This resulted in 100+ new entries onto the Nominal List. These new names largely come from the pre-1949 (pre-Cadet) era. When LAC reopens we expect this trend to continue. Since starting this project, Glenn has unearthed 300+ new names, having looked at only 7 of the 21 NRDs involved.

10,345 name entries.

7,691 (74.3%) - UNTD (1943 - 1968)
2,412 (23.3%) - ROU+ (1969 - present)
242 (2.3%) - other (Founders, Hon, Staff, Assoc, etc)

In Memoriam: 1,823 of 10,345 (17.6%)

1,652 of 7,691 - UNTD (21.5%)
41 of 2,412 - ROU+ (1.7%)
130 of 242 - other (53.7%)

In the calendar year 2020, 65 Members were known to have crossed the bar; 17 so far known in 2021.

43 are unresolved bounced emails which may or may not have valid phone/address information.

For various reasons, over time, 24 have requested no contact, which although we retain the information, we respect.

Other Archival Information:

The entire collection of 35 Yearbooks has very recently been re-compiled to include OCR capabilities (live text, searchable and extractable), within the limitations of the original material.

All of the filenames (and thus URL links) have been changed to reflect this. So if you've downloaded those of interest to yourself, you may want to go back and download the OCR versions.

They are all available from:

<https://untd.org/yearbooks/>

Although the original (non-OCR) versions are no longer available to download, we retain them, so that any older URL links that are still circulating, will still work.

UNTDA Newsletter:

To my regret I was not able to issue a formal Newsletter in the last quarter but am reworking the draft to include what turns out to be a substantial amount of new information and initiatives that need reporting on and promulgation.

Respectfully submitted.
