

UNTDA Archives Report - for March 14, 2023

Nominal and In Memoriam List:

The only structural change to the Master List in the last quarter, has been the inclusion of NCM as a Program or Entry Scheme. Other changes will no doubt occur as needs become apparent.

Ross Connell's recently completed annual Member Survey, as it always does, resulted in very welcomed Contact List information changes as well as "Active" member dues payments. There is a sense that each year's survey results have improved responses over the previous year and this was very noticeable this time out.

There remains a consistent background flow of new information from routine contacts, through Web Submissions and Russ Cape's finders network.

10,501 name entries.

7,675 (73.1%) - UNTD (1942 - 1968)

2,561 (24.4%) - ROU+ (1969 - present)

9 (0.1%) - NCM

256 (2.4%) - other (Founders, Hon, Staff, Assoc, etc)

In Memoriam: 2,233 of 10,501 (21.3%)

2,035 of 7,675 - UNTD (26.5%)

48 of 2,561 - ROU+ (1.9%)

0 of 9 - NCM (0.0%)

150 of 256 - other (58.6%)

In the calendar year 2021, 87 Members are known to have crossed the bar; 65 in 2022 and 8 so far in 2023.

Contact List:

1,216 of which 979 (80.5%) have active, non-bouncing emails.

Of those 979; 673 (69%) are UNTD, 303 (31%) are ROU+, 8 (< 1%) are NCM.

There are 50 unresolved bounced emails which may or may not have valid phone/address information.

126 are Location only, that is, we know roughly where they are but no contact information exists.

For various reasons, over time, 34 have requested no contact, which although we retain the information, we respect.

As Roger Elmes has reported, Conference Registrations have mirrored the ratio of contacts between pre- and post-Unification members. This is gratifying on a number of levels. The last major national event will have been 5 years ago, with virtually no post-Unification participation then. Not to mention the disruption of an intervening global pandemic.

VIP List:

There are 1,867 Citations for 776 UNTD and ROU+ Cadets.

1,632 (87%) are UNTD, 235 (13%) are ROU+.

The ratio is slightly changed over the last quarter, as post-Unification citations continue to grow.

Military Units List:

305 operational military units in which NavRes Officer Cadets are known to have trained, served or commanded; all 3 Services, domestic and foreign. This is no change over the last quarter.

Biographies:

Embedded as links in our online nominal lists, are 3,172 Biographical profiles of varying depths.

Active Members:

There are currently 298 "Active" (dues-paying) Members (2021 and beyond).

233 are UNTD (78%), 51 (17%) are ROU+, 5 are NCM (2%), 9 are other (3%).

Of those 298, 189 (63%) are 2023 and beyond which is a high percentage for this early in the year.

Website Downloads:

There has been a noticeably higher number of file downloads from the Website in the last 2 quarters.

Files relating to the NavRes Centennial and the UNTDA Conference, top that list. The Centennial file has been mirrored elsewhere which could explain its higher numbers.

Some of our larger files, such as the Yearbooks, have also seen abnormally higher downloads. So has Untidy Tales, History of STAR, and Citizen Sailors for instance.

More recent files such as CSVC and AGM material have also been well downloaded.

Respectfully submitted.

Bill Clearihue
