2024

Prior to 2023, the Naval Reserve Association of Canada was unincorporated, was known as the UNTD Association with a membership that consisted of those who participated in the UNTD program from 1943 to 1968, and after 2018, a growing number of participants in successor officer training programs, ROUP, NROC, RESO, UNTD2, as well as other officers.

NRAC is now an incorporated not-for-profit organization welcoming all active and retired reservists of all ranks.
