

Over 2000 members of the Royal Canadian Navy, 1600 Merchant Mariners and 750 from the Royal Canadian Airforce sacrificed their lives.

Those who fought during the Battle of the Atlantic paid a price for victory and it is a debt that we can never truly repay.

We can, however, honour those who served in a tangible and meaningful way through the creation of a National Memorial dedicated entirely to the Battle of The Atlantic.

Your support will help to create a space like no other in Canada that Honours, Remembers and Educates.

FOR ALWAYS AND FOREVER THEY WILL BE REMEMBERED HERE.
